#### **Notice of Final Federal Agency Actions on Proposed Highway in North Carolina**

**AGENCY:** Federal Highway Administration (FHWA), DOT.

**ACTION:** Notice of Limitation on Claims for Judicial Review of Actions by FHWA and Other Federal Agencies.

**SUMMARY:** This notice announces actions taken by FHWA and the other Federal agencies that are final. The actions relate to a proposed widening of Interstate 26 from U. S. 25 near Hendersonville to the I-40/240 Interchange in Asheville, also known as State Transportation Improvement Program Project I-4400/I-4700, in Henderson and Buncombe Counties, North Carolina. Those actions grant licenses, permits, and approvals for the project.

**DATES:** By this notice, FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before [Insert date 150 days after publication in the Federal Register]. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that FHWA and other Federal agencies have taken final agency actions by issuing a Record of Decision (ROD) for the following highway project in the State of North Carolina: the widening of I-26 from U.S. 25, near Hendersonville, to I-40/240, south of Asheville. Widening I-26 in the area would help improve existing and projected deficiencies when it comes to roadway capacity. The project would also improve insufficient pavement structure and deteriorating existing road surface conditions. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Combined Final Environmental Impact Statement (EIS)/Record of Decision (ROD) for the project, approved on March 5, 2019, and in other documents in the project records. The Combined Final EIS/ROD, and other documents in the project file are available by contacting the FHWA or the NCDOT at the addresses provided above. The Combined Final EIS/ROD along with referenced technical documents can be viewed and downloaded from the project Web site at <https://www.ncdot.gov/projects/i-26-widening/Pages/default.aspx> or viewed at the NCDOT office at 1 South Wilmington Street, Raleigh, North Carolina 27601.
